CRUST 2

2nd Colloquium for
Young Researchers in Underground
Science and TechnologyFriday, 10th January, 2020

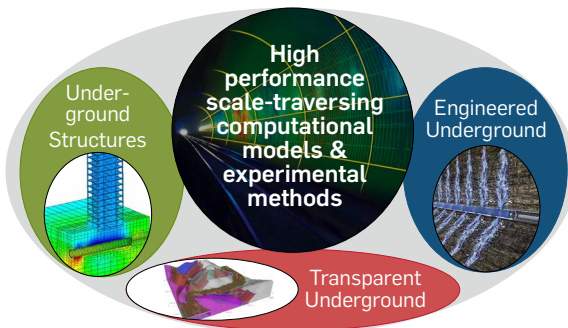

RD SME RESEARCH DEPARTMENT: SUBSURFACE MODELING AND ENGINEERING

The Research Department (RD) „Subsurface Modeling and Engineering” (SME) provides an interdisciplinary platform of top level research in computational modeling and simulation of engineered subsurface systems (tunneling, geothermal energy, energy storage, waste deposits) to enable optimized, more efficient and safe solutions for the future use of underground space.

The RD SME is aiming to exploit synergies from the cooperation of highly qualified PI's and Junior PI's across disciplines belonging to the universities of the University Alliance Ruhr (UAR), the Bochum University of Applied Science and Extra-University Research Organizations. The RD also actively promotes international cooperation in the area of subsurface modeling and engineering.

The RD brings together three areas of long term research competence at Ruhr University Bochum: Computational Engineering, Subsurface Engineering and Geosciences.

CRUST: 2ND COLLOQUIUM FOR YOUNG RESEARCHERS IN UNDERGROUND SCIENCE AND TECHNOLOGY

Dear Members of the Research Department Subsurface Modeling and Engineering,

After the very successful first CRUST Colloquium in 2018, we announce the 2nd Colloquium for Young Researchers in Underground Science and Technology (CRUST 2).

This colloquium is organised by the Research Department SME to bring together PhD Students and young early stage researchers associated with every member of RDSME. It aims to provide an excellent forum for them to exchange ideas, foster debate, offer networking opportunities, present results and discuss problems and challenges in their research work.

We cordially invite Ph.D. and Post-Doc researchers from your research groups to give a talk and/or a poster presentation related to their recent research at CRUST2.

Please send your abstracts (in .docx, max. 300 words) until **6th December, 2019** with preference either for a **talk** or a **poster presentation** to timothy.jithenderjaswant@rub.de.

Registration and participation is free.

PROGRAM 10TH JANUARY, 2020, 9:00 - 17:00, BUILDING ID, FLOOR 03, ROOM 653

9:30 *Opening*

9:40 **Session 1**

11:00 *Coffee Break*

11:30 **Session 2**

12:50 *Lunch Buffet*

14:40 **Session 3**

15:20 *Coffee Break*

15:50 **Poster Session**
